MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 5 to Contract No. SP-1918 with Lockheed Aircraft Corporation, Burbank, California, OARFISH/AF-2 Project CHALICE

1. This memorandum contains a recommendation submitted for approval of the Director of Central Intelligence. Such recommendation is set forth in Paragraph 5.

2. Contract No. SP-1918 covers repair and overhaul of Project CHALICE and Air Force equipment. This contract is a time and material type.

3. Amendment No. 5 allocated \$685,000 additional funds for Customer No. 1 and \$500,000 for Customer No. 2. The \$685,000 should be obligated against FY 1959 CHALICE funds and the \$500,000 should be charged during FY 1959 against "No Year" Air Force funds. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation. This results in a total of \$1,300,000 for Customer No. 1 and \$1,500,000 for Customer No. 2 for the period 1 July 1958 - 30 June 1959.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
